

**Consent for Medical Treatment:**

I voluntarily consent to receive medical and health care services provided by Rebound Orthopedics & Neurosurgery physicians, employees and such associates, assistants, and other health care providers (otherwise referred to as “Rebound”) as my physicians deem necessary. I understand that Fellows, residents, interns/externs, medical and nursing students and other healthcare professional students may observe, assist with, or directly provide evaluation and treatment within their scope of practice and under the direct or indirect supervision of Rebound staff and physicians. I understand that such services may include diagnostic procedures, examinations, and treatment. I acknowledge that no warranty or guarantee has been made to me as to result or cure.

I understand that this Consent to Treatment/Health Care Agreement will be valid and remain in effect as long as I attend or receive services from Rebound, unless revoked by me in writing.

**Financial Responsibility Agreement:**

I hereby agree to have the insurance benefits (payments) for my visits sent directly to Northwest Surgical Specialists, P.C. I understand that I am financially responsible for any and all charges incurred that my insurance may not cover at the time of this visit and future visits, including but not limited to lab, radiology, procedures, surgeries, durable medical equipment, therapy and all Telehealth visits. I hereby authorize release of essential information to such insurance companies to establish my claim. I am additionally responsible for follow-up billing and issues with my insurance company unless otherwise instructed by the clinic.

“I further agree to pay for any applicable co-payments, co-insurance and deductibles for all covered services. In the event that I request services outside the scope of my Health Benefits plan, I will be informed that the service is non-covered, agree in advance and in writing that I will be responsible for payment in its entirety”

I understand Rebound does not offer in-house payment plans and any payment arrangements need to be established through Care Credit or AccessOne by contacting the Rebound Business Office.
