Rebound Orthopedics and Neurosurgery Welcomes New Surgeons
Benjamin Jacobs, M.D. and Roham Moftakhar, M.D. join Rebound's hand surgery and neurosurgery departments

Benjamin Jacobs, M.D.

Roham Moftakhar, M.D.

August 25, 2010 – Vancouver, WA - Rebound Orthopedics and Neurosurgery expands their practice with the addition of two surgeons; Benjamin Jacobs, M.D. and Roham Moftkhar, M.D. Both physicians will be working at Rebound's offices at Southwest Washington Medical Center and Legacy Salmon Creek.

Benjamin Jacobs, M.D. joined Rebound on August 23, 2010. Dr. Jacobs is an orthopedic surgeon who sub-specializes in hand and upper extremity surgery. He is trained in fracture management, reconstruction, microvascular, and nerve surgery of the hand, arm, elbow, and shoulder. Prior to joining Rebound, Dr. Jacobs completed a hand fellowship at University of Pittsburgh Medical Center, Pittsburgh, PA. He is a graduate of University of Chicago Pritzker School of Medicine, Chicago, IL and completed his residency and internship at Northwestern University also in Chicago. He is a member of the American Academy of Orthopedic Surgeons (AAOS) and the American Society for Surgery of the Hand (ASSH).

Roham Moftakhar, M.D. started his neurosurgical practice at Rebound on August 9, 2010. He is a neurological surgeon who received fellowship training at the University of Miami in endovascular/cerebrovascular neurosurgery as well as skullbase and complex brain tumor surgery. Dr. Moftakhar is a graduate of George Washington School of Medicine in Washington, D.C and completed both his internship and neurosurgery residency at University of Wisconsin in Madison. Dr. Moftakhar is

a member of the American Association of Neurological Surgeon and the Congress of Neurological Surgeons.

About Rebound Orthopedics and Neurosurgery

Rebound is the premier Orthopedic and Neurosurgery clinic in the Vancouver/Portland area, with offices at Southwest Washington Medicine Center, Legacy Salmon Creek, and Portland's Rose Quarter. Rebound's team provides the most advanced patient care and expertise in our community. Rebound's surgeon's subspecialties include orthopedics, neurosurgery, sports medicine, and physical medicine and rehabilitation. Additionally, Rebound offers physical therapy and hand therapy.
